I. PARTIES TO THE CONTRACT

Agent: Darwel SA, Vuachère 3b, 1005 Lausanne.

Client: Company subscribing to “Baselworld 2020 PR & Media services”.

II. PREAMBLE

The agent is a public limited company active in public relations and media relations serving exhibitors from watchmaking, jewelery and related industries in a show like Baselworld since 1963.

III. PURPOSE OF THE CONTRACT

The contract concerns at least one of the services defined in the Baselworld 2020 PR & Media services programme. The sum owed by the client to the agent is determined by the chosen services and the number of products for which promotion is required. Prices are clearly indicated in the Baselworld 2020 PR & Media services programme.

IV. OBLIGATIONS OF THE AGENT

The agent undertakes to provide the services set out in the Baselworld 2020 PR & Media services programme in accordance with the client's wishes and to do so to the best of its knowledge and ability. It may call upon one or more third parties in the fulfilment of these obligations.

The agent follows the instructions given by the client.

An exact description of services provided by the agent is given in the Baselworld 2020 PR & Media services programme.

The agent defends the client's interests to the best of its knowledge and belief. It will keep any trade secrets to which it has had access in the course of its employment. It will keep the client regularly informed of progress made in the execution of the services the client has requested.

V. OBLIGATIONS OF THE CLIENT

As remuneration for promotional activities, the client pays the agent a sum in accordance with selected services and the number of products, as per the price stipulated in the Baselworld 2020 PR & Media services programme.

The client authorises the agent to represent it to third parties, within the framework of this contract. The client undertakes to provide the agent or any third party appointed by the latter with all necessary materials for the execution of services the client has requested within the time limits stipulated in the Baselworld 2020 PR & Media services programme.

VII. SPECIAL PROVISIONS

The agent retains copyright on all works (slideshows, HTML pages, ideas, concepts, productions, texts, graphics, photos, films, etc.) which it has created. However, inasmuch as these works have material form, the agent guarantees to the client the use of all such works for the duration of the contract.

In the absence of any special agreement with the agent, the client will not retain usage rights or property rights for the intellectual creations produced under this contract following termination of the contractual relationship.

The agent accepts responsibility for the conservation of the material, in particular images and text.

Before the contract expires, the agent will ask the client if it requires such material to be returned. Should the client not require this, the agent is permitted, upon expiration of the contract, to destroy the material in question. Throughout the period of the contract the agent is permitted to destroy, without the prior permission of the client, both printed material and visual and audio supports which have not been used.
